CITIZEN'S CHARTER

Service Name : ISSUANCE OF eBUSINESS PERMIT

The issuance of Business Permit is under the Business One-Stop Shop (BOSS) of the Business Permit and Licensing Division, which requires compliance to rules and regulations. All issued Business Permit and Certificates are subject to post audit inspection/verification. Non-compliance to the set standards may result to revocation of the issued permit and certificates. Additional requirements depend on the kind of business. Please refer to the Schedule of Requirements per business classification. The processing time for the online application is Three (3) working days if payments are made within the said period. Zero contact policy is strictly implemented among government employees, any concerns and for follow up on transactions shall be coursed through your registered email address used during registration for online business permit application.
